LEADERSHIP ESSENTIAL

There are no small things in the kingdom! That means every “little” thing we do as Circle Leaders has a ripple effect. That prayer you pray, the attendance you take, that follow-up question you ask, that text reminder you send, that really hard conversation – all of it matters so much. Do you see it? Where is God inviting you to see the “small” parts of leading as significant in the kingdom as you make disciples and create kingdom culture?

PRO TIP

Social media is a great tool to help us tell others about what Jesus is doing in our lives. Look for opportunities to share pictures of your Circle meeting or doing life together, and don't forget to tag @valleycreek!

CIRCLE GUIDE & BEHIND THE CIRCLE GUIDE

 *This is a great message that will lead to a more reflective discussion in your Circle. We've all experienced and caused both positive and negative “ripple” experiences in our lives, so it's going to be very important for you to help keep the conversation Jesus-focused, Life-giving, and through the lens of His love.*

DISCUSS & ENGAGE THE SCRIPTURES

1. Read [Matthew 26:13](#). What Jesus sets in motion stays in motion. What would your life be like if you lived as if it all mattered?

 *This is a great question to connect the dots of us living as creators. What would it look like if we declared identity over our families every day? What if we did the most mundane task as if unto the Lord with joy in our hearts? As a leader, how can you help people catch a vision for living a bigger life in the midst of what we might see as small?*

2. Read [Romans 12:4-5](#) and [Proverbs 15:22](#). Who is allowed to speak into your life, and how's it going? Who do you need to tell about how good Jesus has been to you?  **In your attendance, add notes on this question.**

 *This is a topic that can be challenging, so we want to equip you with more language around the difference between those who speak into our life and those we do life with because they may not be the same. Both play vital roles in our lives as disciples of Jesus!*

Godly relationships are intentional relationships where we talk about, learn about, and become like Jesus together. A Circle is three or more people who meet to discuss the weekend message, engage Scripture, and pray together. Circles and godly relationships differ in the following ways:

Type	Size	People	Makeup	Meetings	Conversations
Godly Relationships	2-3	Carefully Chosen	Consistent	Irregular, Spontaneous	Spiritual Health, Life Challenges
Circles	2-12	Open	Evolving	Regular	Weekend Message

3. Read [1 Corinthians 10:31](#) and [Zechariah 4:10](#). In the kingdom, there are no small things. Where are you despising the small things, and how is it impacting others in your life?
 *Another way to help us see the ripple effect of our own life is to reflect on those who have had an impact on us. If you get stuck, that may be a great way to unlock the conversation.*
4. Read [Mark 11:23](#). What is the mountain you need to release to receive the ripple of the life of Jesus?
 *As these are shared, a great response could be "in Jesus' name, may it be so!"*

PRAY

Jesus, may we be aware of the ripple effect we have as Your disciples.
