

LEADERSHIP LAB #1

MONTH SEVEN | LIVING A SUBMITTED LIFE

Everyone is submitted to someone or something and the question is not, "Are you living submitted?" but "Whose mission are you coming under?" The world has a mission, religion has a mission and God has a mission.

Spend time answering the questions below, and then discuss your discoveries as a pod.

How would you describe God's mission?

(GENESIS 1:28, MATTHEW 28:19-20, LUKE 4:18-19, 2 CORINTHIANS 5:17-20)

How is that different from what you used to think about the mission of God?

In your own words, describe Valley Creek's mission.
