LEADERSHIP LAB

MONTH EIGHT | LIVING A SPIRIT-FILLED LIFE

Pair up in your pod and read Acts 4:1-20.

As you engage this story, look for characteristics of the spirit-filled life.

LEADER TIP:
Look for themes of the Holy Spirit bringing unity, the power of Godly relationships walking in the Spirit together, themes of boldness, power on display and the fruit of the spirit.

Capture what you discover in the space below and then talk about it as a pod.
