

May 10, 2026

Our spring Circle semester officially wraps up on May 16. Our summer semester is May 31-July 25.

LEADERSHIP ESSENTIAL

We know May can bring changing schedules, graduations, vacations, and transitions into summer. Don't be discouraged if engagement looks different this week. Focus on the people in front of you and finish the semester well by continuing to build relationships, create space for God to move, and keep the fire burning together.

PRO TIP

END-OF-SEMESTER IDEAS

- During your final Circle of the semester, have each person share one thing they're thankful for from this season.
- Send a short text, note, or GroupMe message later in the week, thanking your Circle for this semester and encouraging them to stay connected and keep following Jesus this summer.
- Whether your Circle continues meeting over the summer or not, invite people into the community and life with God you're building together. Don't just invite people to a gathering; invite them into relationship.

CIRCLE GUIDE & BEHIND THE CIRCLE GUIDE

 *As we wrap up the semester, we want you to feel empowered to follow the prompting of the Holy Spirit as you lead through our final week of Circles. You are called, anointed, and appointed for this.*

 *In your attendance notes, share what God did in and through your Circle this week and semester.*

DISCUSS & ENGAGE THE SCRIPTURES

Leaders –

There's so much to talk about from this weekend and our spring semester. Be Spirit-led as you lead through your final Circle discussion.

PRAY

Wrap up in a time of Spirit-led prayer.
