MONTH ONE | HAVING A VISION FOR YOUR LIFE

Vision is a picture of a preferred future. It's the direction you're going. It helps you become who God created you to be and provides the boundaries and the means to help you get there.

As you dream about the vision for your life and who you want to become, think about the people in your life who inspire you. Who are they? What inspires you about them, and why? Write down your answers in the chart below. Then, discuss them with your pod.
