LEADERSHIP LAB #2

MONTH THREE | GARDEN THEOLOGY

Spend time reflecting on grace and who you are because of Jesus as you read Scripture and answer the following questions.

1. Where are you currently experiencing God's grace in your life? For example, is there something you've received from Him that you couldn't earn, or something you've been able to do with Him that you couldn't have done on your own?

Read these verses and be reminded of your identity in Jesus:

1 Peter 2:9

2 Corinthians 5:17

Ephesians 1:4

Romans 8:16

2. From the very beginning, God designed people to live in relationship with Him as His beloved sons and daughters. What is one truth about your identity as God's beloved child that you need to remind yourself of more often? Why do you think the Holy Spirit is highlighting that truth to you?
